### what is a fresh expression?

a form of church for our changing culture, established primarily for the benefit of people who are not yet members of any church

it will come into being through principles of listening, service, incarnational mission and making disciples

it will have the potential to become a mature expression of church shaped by the gospel and the enduring marks of the church and for its cultural context

### Church from the valley...

- baptism
- education
- marriage
- festivals
- Sunday
- sickness
- crisis
- bereavement
- death

**The mission task:**  
From door,  
to font or baptistery,  
to communion table  
or altar,  
out to the world

### ...to the side of a hill

A few still drawn to church doors by the culture

But current culture draws many away from, not towards church

**The mission task:**  
Go to where people are  
and make disciples there

Roy Searle:

“What God is doing today is not to arrest the decline of the Church but a new imagining from a place of exile.”

**Impact**

“ Nothing else, as a whole, in the Church of England has this level of missional impact ..”

“ Evidence suggests that for every one person sent out to be part of beginning a fresh expression of church, now there are more than two and a half people”

George Lings, lead researcher “The day of small things”
